WHERE SHOULD I/MY STUDENT GET DROPPED OFF?

There are 2 ways to enter the Brown Theatre: the back and the front. **We recommend entering via the backstage door in the alley** between the Brown Theater and the Brown Parking Garage, but the front entrance will also be possible by the security desk. Families, please make a clear plan where to find/meet your student/parent at dismissal. It may get very busy in the alley, so it is a great idea to park in the area or adjacent garage and then walk with your student to the door. **Parents/adults are not able to come into the Brown Theatre during dress rehearsals due to Kentucky Performing Arts and LYO restrictions.** Thank you for understanding.

We understand that having two arrival times for Serenade and Concert Orchestras on 11/21 will make for a busy day, and we thank you for supporting the special experience to perform in the beautiful historic Brown Theatre!

Reminder: if you are sick or feverish, please do not come to rehearsals or concerts. **Students presenting with fevers will be sent home.** Absences related to COVID-19 and COVID-19 exposures are excused. If you have questions, communicate early with your site managers.

If you donated for a FAMILY SPONSORSHIP, your 11/21 concert tickets will be available under your name at the Kentucky Center will call on Sunday evening.

Recordings of the 11/21 can be ordered at the 11/21 concert at the LYO table in the Brown Theatre lobby. The cost is \$15 per CD if paid by cash or check. Point of sale by credit card will include a small processing fee.
